## From the Desk of Reg... Prophetic Intercession

Dear Friends

As you realise in the last couple of weeks Harold Camping has been saying that all Christians would be raptured on 22nd May 2011 at 6pm. The time has come and gone. Scripture says nobody knows the time that this will occur except the Father.

Today I want to speak into your hearts and spirits for we are living in the last days. In these endtimes God wants to raise many Abrahams. In the book of Genesis Chapter 18 verse 17, it says : "And the Lord said, shall I hide from Abraham what I am doing?" God was going to destroy Sodom and Gomorrah but there was only one man who was able to speak to the Lord face to face and who also had the audacity to put a stop to the destruction of those cities. We live in a beautiful place

called Perth and we are surrounded by the sea on our Western border. There will be floods and tsunamis' coming soon to Perth, WA which has been prophesied by different prophets over the course of time. Each time we as the body of Christ can meet this challenge to stop this tragedy from occurring. God is currently showing another travesty is about to come to this great state of Western Australia.

Our job as Christians is to guarantee to our community and government that God can, will and shall put a stop to these events transpiring from our earnest prayers.

Can I encourage all the Christians reading this newsletter to take these prophecies seriously and pray and plead the blood of Jesus over this land. It will not come against us, we will have the victory and the final say of the continued peace, stability and good economy over this state on the proviso we pray against it. A prophetic intercession needs to be raised as an alert across the body of Christ.

So please remember 5 minutes of your time to be given in prayer over Perth and the great state of Western Australia.

## The Names of God

*It's a wonderful study to undertake to go through the list of all the names that God has. Some of the ones I remember studying at college are Lord Adonai; El Shaddai; Jehovah Jireh, etc.*

*One I would like to look at today is "Abba, Father". This word appears three times in the New Testament (in the KJV) – being used once by Jesus (Mark 14:36) and twice by Paul (Rom 8:15; Gal 4:6). Each time it is used, the context is one of appeal, of a heartfelt cry to our Father in Heaven.*

*To be able to call upon God, during a time of great need – whether it is emotional, physical or spiritual – is a source of enormous encouragement and answer to prayer.*

*Many people have either had an absent father in their lives or perhaps a poor role model in this area. God of the Heavens and Earth makes himself to be available to us as Father. This can be challenging at first when we have not known how to interact with a father or if we could not rely on our earthly father, but God is still offering this relationship.*

*He wants to teach men (and women) how to love and nurture their own children or those whom God puts into your life. We cannot underestimate the value God puts on relationships – biological as well as spiritual (the Body of Christ for eg.).*

*Just as you would not turn away anyone who "needed a chat" (whether related to you or not) or was looking for some advice or the voice of wisdom, how much more is God eager to hear and share in our concerns? When we invite God into our situations, He delights in being able to sort out our messes and give us breakthroughs. I think that's a pretty good deal!*

*If you are a bit hesitant to "get God involved" or unsure if He's even there, I encourage you to cry out, just as Jesus did "Abba, Father" no matter what the circumstances and watch Him turn up!*

*Till next time,  
Leanne*
