# WELCOME ADDRESS

*Principal, Dr Reg Morais*

A very warm welcome to Anoint the World College of Ministries. We hope you will choose to come on board with us.

Men and women desperately need to hear from Heaven, and as spirit-filled believers, we have the means and tools available to allow our coming generation to know the will and mind of God right now. We must not hold back on this. The church has to take its rightful place, operating deeply into this ministry of the Holy Spirit.

After I came to know the Lord, I was so impressed with the ministries of Dr Yonggi Cho, Reinharde Bonnke, Jack Hayford, Kathryn Khulman and Dr D G S. Dhinakaharan. These men and woman had great faith and they were used by God to bring healing to many difficult and complex cases. The healings that ensued from their simple prayers of faith opened doors in heaven.

All of them had one ingredient which made their ministry successful. That was, the intimacy they had with the move of the Holy Spirit. That drove them to greater heights and further exploits with God.

So as you can appreciate drawing years of experiences from these ministries has shaped me into the person I am today. Now the time has arrived for me to impart what they taught me as a young lad in my early years with my walk with God.

Anoint the World Ministries (ATWM) was founded by Evangelist and Pastor Reginald Morais 17 years ago. As of today, it has birthed the following churches – Living Faith Community Church in Innaloo (see [www.livingfaithchurch.com.au](http://www.livingfaithchurch.com.au) for further information), Kalamunda and Albany as well as Carousel Church in Queens Park and Revival Bridge Church in Northbridge.

Further information can be found at [www.anointtheworld.com](http://www.anointtheworld.com). Anoint the World College of Ministries commenced for the first time in 2010.

## 1.2 ABOUT REG MORAIS

As a young child growing up Reg realized that he was not normal. He experienced a lack of confidence, an inadequacy to follow basic instruction, was socially fearful and unable to really comprehend what was expected of him. In his ears he had constant ringing which overshadowed what anybody tried to say to him. Reg recalls “It was like being under water and hearing the perpetual sound of an outboard motor of a boat above you.”

By the time he got into Primary One he was failing all his subjects miserably. This was when he tried on 2 or 3 occasions to take his life. He was heavily bullied because of his lack of intelligence - life was a constant misery. Later it was found out that Reg had Autism and to add to it he also had obsessive-compulsive tendencies due to his constant anxiety. Somehow or other in hindsight the hand of God was hovering over his life.

In 1982 when he was 13 years of age Reg met a man called Yonggi Cho from South Korea who came down to Singapore to run an evangelistic crusade for 7 days. In the last day of this crusade Reg gave his heart to the Lord Jesus Christ. It was here that he challenged Jesus and said “if you are real then heal me of all

my mental difficulties”. Sure enough one year later God delivered him completely from my Autism.

Ever since this miraculous healing that God did in his life, Reg made an oath before Him that as long as He kept him alive he would never stop speaking about His healing power.

Reg is an ordained Assemblies of God Minister and Senior Pastor of Living Faith Community Church. He currently resides in Perth and is married to Caryn a Clinical Psychologist and they have two sons. He has obtained his Bachelors in Ministry; Masters in Christian Education and Doctorate of Theology.

## 1.3 ABOUT ANOINT THE WORLD COLLEGE OF MINISTRIES

**T**his college will differ from the mainstream traditional bible colleges. Its functions and its practicality is what make this college quite unique. We will embark on emphasizing the giftings of the Holy Spirit, looking at the nine gifts and their specific features. Being imparted in this anointing gives a believer an empowerment from above to overcome any obstacles which have been thrown at you, either by Satan or the world. It allows you to grow in depth, touching the might of heaven.

Every day has to become a day of the miraculous in the people that

you touch. Scripture tells us Jesus healed all disease. The word is an unlimited word and we serve an unlimited God. This is what it is all about - the unlimited capacity of the Holy Spirit. Powering through the supernatural should be a natural, cultural lifestyle of your daily living. Having over 23 years experience in the move of the Spirit, I recognize how important it is having this extra benefit in touching people's lives.
